Statement of interest – Why should you be appointed to this board/commission?

I believe Annapolis is a vibrant city that will continue to change and grow. The Planning and Zoning Code guides that change and growth. My combined work and personal experience can provide the Board of Appeals with a member having extensive legal skills and a fair-minded perspective to growth and change. My legal career includes over 25 years of interpreting and applying federal code in various areas of administrative law. As a former senior corporate executive and a resident of Eastport, I have a real life understanding of the needs of both the business and residential communities of Annapolis. Also, as a working artist, I appreciate how change can bring cultural vibrancy to a city. I welcome the opportunity to bring a well-rounded perspective to the duties of the Board of Appeals. As an asian american woman, I welcome the opportunity to bring diversity to the Board. I have been visiting Annapolis for years. My husband and I owned a second home here. Recently, we elected to plant permanent roots in the city. Since I am a new permanent resident of Annapolis, I have no political or business connections that will impact my work on the Board of Appeals. Despite being new to town, I am already engaged in regular volunteer work at the Eastport Yacht Club and the EDC social club. If appointed to the Board of Appeals, I will work hard to serve the Mayor and the Annapolis community.
